Its old town, which is located next to the sea, is a labyrinth of white houses surrounded by pots full of colorful flowers, which turn the town into a wonderful floral setting. Its many beaches of fine golden sand and crystal clear waters are the perfect place to walk, relax or have fun thanks to the variety of activities offered in the area such as kayaking, paddle surfing and boat excursions.

The communal areas boast a large community pool with an overflow design and in-pool loungers, with all the amenities (changing rooms, outdoor loungers, toilets, etc.). This community also includes a gym, yoga area and large landscaped green areas where you can walk and relax all day long. Discover a wide range of services for your day-to-day life, such as a spectacular chill out area, a reading area, gym and a gourmet room.
