Property Description

Our project is situated in one of the most prestigious locations on the Costa Del Sol. Within the district of Benahavis, Madroñal is a gated community situated just off the Ronda road, 20 km from Marbella and 10 km from Puerto Banus and only 2 minutes by car to Los Arqueros or to La Quinta golf course. With panoramic views of the mountain, the golf and the sea, our extensive project is south facing. Nestled amongst a pine and cork forest it sits well above sea level with the Mediterranean landscape and the strait of Gibraltar stretching beneath.

This contemporary, energy efficient villa is designed by renowned architect and will take full advantage of the aspect of the plot. The design process is interactive, the new owner will be introduced to the architect and work closely with him to design a home around their specific needs and desires, subject to a budget.
