The interiors, curated by acclaimed designer Vasco Trigo, reflect an effortless blend of elegance

Inside, the villa will offer generous living and entertainment spaces, including a state-of-the-art kitchen with premium appliances, a formal dining room, and multiple en-suite bedrooms designed as private sanctuaries. Additionally, the property will include amenities such as a home cinema, private gym, and spa area, bringing resort-style living into the comfort of your own home.

With an estimated completion date by the end of 2025, this is one of the most eagerly awaited new-build projects in the area. It represents a rare opportunity to own a truly unique property that offers not just a home, but a lifestyle defined by beauty, comfort, and exclusivity.
